Nastawgan Submission Guidelines

See the following submission guidelines attached **Submission Guidelines for Nastawgan**

Contact Information:

- Submissions of all material to be considered for publishing in Nastawgan should be made to Editor-in-chief at journal@wildernesscanoe.ca. Iori or another board member will get back to you.
- Iori suggests engaging with him prior to putting pen to paper to ensure we can use your story. Occasionally we receive material that is a repeat of an article recently published, and we try to avoid this.
